**CITY OF FORT LAUDERDALE
BUSINESS COMMUNITY INVESTMENT PROGRAM (BCIP)
AND
BUSINESS COMMUNITY INVESTMENT GRANT PROGRAM (BCIGP)
APPLICATION FOR FISCAL YEAR 2013**

Completed applications, including all supplemental materials, must be received by the City of Fort Lauderdale Neighbor Support Division, 100 N. Andrews Avenue, 5th Floor, Fort Lauderdale, FL 33301, no later than 4:30 p.m. Friday, September 28, 2012.

BUSINESS COMMUNITY INVESTMENT PROGRAM (BCIP) ELIGIBILITY:

Applications will be accepted from business associations that meet the following criteria:

1. The association must be registered with the state of Florida as a not-for-profit.
2. The association must be operating as an organization within the City of Fort Lauderdale's corporate boundaries for a minimum of one year at the time of application. The association shall submit meeting minutes from all general membership and board meetings to verify the organization's establishment date if the entity is less than one year old.
3. The association shall submit a copy of its Articles of Corporation.
4. The association shall submit a copy of its By laws.
5. Membership in the association shall consist of predominately commercial business (i.e., sole proprietors, partnerships, corporations).
6. The association's Board of Directors and/or Officers shall be elected by its general membership.
7. The association shall hold a general election at least every two years to elect a Board of Directors and/or Officers.
8. The association shall have an established mechanism to communicate with its Board of Directors and general membership.
9. The association shall have defined geographical boundaries. The boundaries must be contiguous and must not overlap with the boundaries of any existing business association.
10. The association shall be actively operating and generally recognized as a business association.
11. The association shall be comprised of a group of individual businesses.

PLEASE NOTE: For additional information about Business Community Investment Program eligibility requirements, please consult the BCIP/BCIGP Guide.

APPLICATION GUIDELINES FOR GRANT CONSIDERATION:

1. Submit one original and one copy (two sets total) of the completed application and all required supporting documents.
2. All supporting documents must be attached to the back of each application and numbered as an appendix. Bind each of the two completed sets individually and submit all sets together.
3. Provide one photograph that depicts the existing condition of the project site(s) with each of the two completed sets of the application.
4. Provide a brief explanation of the proposed project.
5. Provide a budget statement that clearly outlines all funds needed to successfully complete the project (i.e., design cost, materials, installation, etc.).
6. Submit Letter(s) of Support from adjacent property owners. **Required for all community improvement projects, except brick paver crosswalks and decorative street sign posts.**
7. Provide Letter(s) of Support from current Board Members and Directors.
8. Provide Letter(s) of Intent from private corporations or public entities indicating a contribution of funds, materials/equipment, or professional services (if applicable).
9. Provide current association minutes showing approval for the proposed project by the general membership. Association minutes must be no older than one year from the date of submission.
10. Association must agree to maintain the project once it has been completed and sign a BCIP Maintenance Agreement. (Please refer to the BCIP/BCIGP Guide for the complete Maintenance Policy.)
11. Financial proof that funds are available for the project must be provided by the association in the form of:
 - a. Current bank statement (bank statement may not be older than 30 days), and/or
 - b. Fundraising plan indicating the timeline for the fundraising activities, amount of funds expected to be raised, and method of fundraising.

PLEASE NOTE: If funds are not currently available in the association's bank account, a fundraising plan outlining how the association will generate the capital must be included with the application (i.e., type of fundraiser, time frame targeted, number of campaigns to be held, and amount of funds expected to be raised). Matching funds must be available within 18 months once grant is awarded.

GUIDELINES FOR SPEED HUMP REQUESTS:

- a. The association must first meet with the City's Transportation & Mobility Department to staff request a traffic study. Upon completion, staff will provide the association with the results of the study.
- b. The association must submit the traffic study as part of its BCIP application, along with current association minutes showing approval by the general membership for the proposed speed hump project.

PLEASE NOTE: If the proposed project entails the installation of speed humps as a traffic calming measure, an official survey must be conducted by the City of Fort Lauderdale to determine support for the project.

- c. To meet the application deadline, associations may need to submit their traffic study request to the City's Transportation & Mobility Department one year prior to the grant cycle in which they intend to apply for funds.
- d. If the applicant qualifies and ranks among those being recommended for funding, the City will conduct a consensus survey after the BCIP grant is awarded. The City will poll the property owners directly affected by the traffic calming proposal and those property owners who may potentially be affected by the diverted traffic (as a result of the traffic calming devices) to determine whether or not there is consensus for the proposal.
- e. The grant award will be contingent upon the outcome of the official survey. That is, the survey must produce favorable results for the speed humps in order for the grant award to become effective.
- f. The grant will be terminated if the survey produces unfavorable results.

PLEASE NOTE: Applicants are strongly encouraged to plan ahead and coordinate this effort with the City's Transportation & Mobility Department staff well in advance of submitting a BCIP application. Please contact the Neighbor Support Coordinator at (954) 828-6656 for details.

BUSINESS COMMUNITY INVESTMENT GRANT PROGRAM (BCIGP) ELIGIBILITY:

The Business Community Investment Grant Program (BCIGP) is a program that was endorsed by the Fort Lauderdale City Commission in March 2000. The program differs from the Business Community Investment Program (BCIP) in that it allows business associations to bid and enter into direct contractual agreements with licensed professionals to implement their business community improvement project, as opposed to the City executing the project.

Associations seeking to be considered for this grant must submit an application during the normal BCIP grant cycle and indicate their desire to implement their community improvement project through this program. The BCIGP applications will go through the same selection and ranking process as BCIP applications. Upon notification of the grant award and full execution of the Revocable License and Maintenance Agreement, an association may proceed with the permit and implementation phase of the project.

If your association would like its project proposal to be considered under the Business Community Investment Grant Program (BCIGP), please indicate by checking the box below:

☐ Yes, my association would like this project proposal to be considered under the Business Community Investment Grant Program (BCIGP). If yes, please include this page with the completed application.

Associations must meet the following criteria to be considered eligible to implement a community investment project under the BCIGP:

1. The association must be registered with the state of Florida as a not-for-profit corporation and be operating within the City of Fort Lauderdale for a minimum of one year at the time of application. (Please refer to the business association criteria listed on page 2.)
2. The proposed project must be within City right-of-way, City property, or easement dedicated for public use.
3. The proposed project must meet the City's design standards and Florida Building Code, as applicable.

4. An appropriately licensed professional must design and certify the construction contract documents for the proposed project.
5. The association's contractor must obtain all applicable permits.
6. The association shall be responsible for securing or ensuring that the contractor secures a payment and performance bond. Payment and performance bonds are required for all work within City right-of-way prior to issuance of a permit. The bond shall be 100% of the cost of construction. The association shall ensure that the bond has been posted. The bond shall be posted in the form of a surety bond or cash in a form acceptable to the City. **The bond must name the City as an obligee and must be submitted to the City before any work will be permitted to begin.**
7. An appropriately licensed contractor must perform all work. **(EXCEPTION: Landscape that does not require digging more than 12" deep for installation.)**
8. The association's past history in implementing and maintaining projects will be taken into consideration for the grant award.
9. The association must adhere to the BCIGP Maintenance Agreement/Revocable License.
10. Projects must be constructed within a 12-month period. The 12-month period begins on the date the City Commission authorizes the grant and the Maintenance Agreement/Revocable License. Grant funds must be expended within this allotted time frame. Grants will be forfeited if projects are not fully completed within this time frame. If warranted, the City Manager or designee may grant an extension to this time frame.
11. Projects funded in part or in whole by Community Development Block Grant (CDBG) funds are not eligible.

APPLICATION DEADLINE:

Completed applications, including all applicable exhibits and supporting documents, must be received by the City of Fort Lauderdale Neighbor Support Division no later than 4:30 p.m. Friday, September 28, 2012.

AGREEMENT TO SIGN AN EASEMENT DEED

There are certain community improvements that require the execution of an easement deed before the project can be constructed in City right-of-way. The property owner(s) whose property immediately abuts the improvements must sign the easement deed(s). These are community improvements that do not normally serve the general welfare of the public such as, entranceway guardhouses, monuments, or columns/pillars.

Should the project warrant the execution of an easement deed for the area identified above, I, _____, hereby declare that I will agree to sign an
(Name)
easement deed, subject to review and approval of the final drawings and plans.
